## LUXURY MEETS WELLBEING

Imagine a world where each morning you wake feeling rejuvenated, where the precise balance of comfort and support offers you deep restorative sleep. Sealy Posturepedic Exquisite features high-quality touches to elevate your sleep experience: we hand-select only the finest materials and craft our beds made-to-order, delivering you unparalleled feel and quality.

## INTELLIGENCE THROUGH INNOVATION

Throughout our history, Sealy Posturepedic has led through innovation: our SmarTex® fabric treatment helps regulate temperature to give you a cooler and more comfortable sleep. Our patented three-stage coil system provides responsive levels of support for different body types and sleep patterns.

Sealy Posturepedic beds are continuously tested to ensure quality pressure relief for your muscles so you can relax, recover and awake refreshed each day for years to come.

### COMFORT CARE LAYER

ComfortCore® Plus is a gel infused visco-elastic layer, which provides comfort and pressure relief for your lower back

### REINFORCED EDGE

UniCased® XT strengthens the full perimeter of the mattress, increasing the usable sleep surface

### STABILISER BASE

Super-strength Duraflex® ST modules provide you with deeper support and longer-lasting comfort

### SMART FABRIC

Allergen Protect™ eliminates dust mites, mould and mildew. SmarTex® fabric treatment regulates temperature for a more comfortable sleeping environment

### RESPONSIVE TECHNOLOGY

ReST®II coils give you three stages of personalised support to provide rejuvenating sleep
