

## PLAZA COLLECTION

A perfect balance between world class innovation and performance.

Handcrafted to order, utilising high quality, locally sourced materials. Sealy® have been providing Australians with superior support for over 65 years.

### Fabric Treatment

- High quality fire retardant treated knit fabric.

### Reinforced Edge

- UniKey® & EdgeGuard® construction provides a firm seating edge.
- Providing a sleep surface right to the edge of the mattress.

### PostureTech® ST Spring Technology

- Sealy® engineered PostureTech® ST Spring technology provides deep down support. It features six turns for additional conformance and is twice tempered for superior performance and durability.

### StayTrue® Comfort

- Rigorous product testing of our foam and pressure relieving layers ensure longer lasting comfort.

### Shock Abzzorber® Foundation

- High carbon spring steel to withstand the stresses of commercial use.
- Ensures long-lasting performance and an extended comfort life for the mattress.
